

## LOST

I'm lost without you Jarret  
I don't know what to do  
I'm lost without you Jarret  
My heart hurts for you

I'm lost without you Jarret  
I want to see your face  
I'm lost without you Jarret  
Wish I could take your place

I'm lost without you Jarret  
It's hard to live each day  
I'm lost without you Jarret  
It's like I can't find my way

I'm lost without you Jarret  
I feel so alone inside  
I'm lost without you Jarret  
I can't believe you've died

I'm lost without you Jarret  
You were everything to me  
I'm lost without you Jarret  
Why does this have to be

Mom
